**CONTROLE A SUS CAMAREROS EN BDP IDENTIFICANDOSE CON SU HUELLA DIGITAL SOLO ES NECESARIO UN DETECTOR, SE ACABARON LAS LLAVES, LOS OLVIDOS Y LAS CERRADURAS DE EMPLEADO**

## Staff On Time **Retail**

The most modern and secure way to control attendance and productivity in the company.

An attendance control application based on a biometric scanner. Using employees' digitised fingerprints, Staff Control Retail offers an attendance control system that is 100% reliable and prevents all types of tampering.

Each fingerprint scan is recorded in the Staff Control Retail database. Data can be accessed quickly for updated reports. Staff Control Retail, will give you accurate and reliable information on the average number of hours worked, punctuality averages, while also enabling you to manage the attendance and productivity of your employees.

System includes:

- Software and manual (CD-ROM)
- Fingerprint scanner
- Quick installation guide

Minimum system requirements:

- IBM-PC compatible 586 or higher
- 32MB RAM
- CD-ROM drive
- USB port
- 20MB of free space on the hard drive
- 800 x 600 screen resolution with 16-bit colour depth
- Windows XP, 2000, NT4, Me, or 98
